

This term's Christian value is **RESPECT**. We are thinking about valuing difference and different opinions, and valuing others as we would like to be valued.

*Do to others as you would have them do to you

Developing children's empathy with the workers of the local mines and sense of place in the local community has been key to our whole school topic.

Classes 2 & 3 had a fantastic day visiting East Somerset Railway last week! Their behaviour was amazing... the tour guide said "one of the best groups we have had and a real credit to their school" - well done!! ☺
