### Stand Against Violence

We've had a very informative day from the charity 'Stand Against Violence'. We have been learning all about making the right choices and how we can look out for our friends. We've also learned a lot about how advertising is used and algorithms on mobile phones. We made emotional masks which represented the feelings of someone after an event.

### **Holiday Sports Club – register of interest.**

We are exploring the possibility of becoming a host venue for a holiday sports club. The club would be managed by Sporting Sensations, a multi-sport coaching company delivering to primary aged children. The company is directed by Mr Pile who currently works at the school supporting PE provision in a number of classes.

At this stage we are asking parents to register their interest so we can establish if the club is feasible. We would require 20 children.

If it is to go ahead, the club would run Tuesday 9<sup>th</sup> Aug, Wednesday 10<sup>th</sup> Aug and Thursday 11<sup>th</sup> August at a cost of £17.50 per day or £35 for all three days. It is hoped that the club would then continue for future holidays.

Please could you let the school office know if you would like your child to be placed on a register of interest list or email Mr Pile for further information: [sportingsensationsuk@gmail.com](mailto:sportingsensationsuk@gmail.com)

### **Great Wood**

Thank you to all of you who have already paid or have been making regular payments for the school residential in September. If you have yet to make any payments this is a polite reminder that payment must be made in full before the event for your child to attend.

### **Second Hand Uniform**

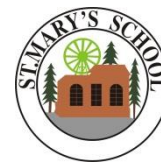

Our wonderful PTA are busy planning and organising the Summer Fayre which will include a second hand uniform stall to help raise funds. Therefore we are asking for donations of any second hand uniform/coats to be sold at the event.

Many thanks to those who have already donated.

### St Mary's Alarms

Thank you to all for your patience as we investigate our school alarm systems. Through working with the Site Managers at The Trust, ADT and an alarm specialist we believe we have identified the issue – a faulty sensor; now repaired. Hopefully that will give all a peaceful summer.

We would also like to ask our school community to be vigilant as we believe people have been on-site after school hours. Please could you also remind children that the school site is private land and anyone uninvited on site is trespassing.

### Staffing for September

We are very sorry to be saying goodbye to Mrs Adamson in July. She has been an integral part of the teaching team at St Mary's for 15 years. Mrs Adamson has decided to take up new challenges outside the teaching profession. She will be missed by the whole community at St Mary's. Miss Beere will be teaching Year 2 from September.

As many of you will have noticed Mrs Dart has not come back following her maternity leave and we are now able to confirm that she has decided to focus on her family and will not be returning to St Mary's. Mrs Dart joined St Mary's at the very beginning of her teaching career, taking on the SENDCO role; supporting many families across the school. We are pleased that Mrs Dobson will take on the full-time role in Year 4.

I know you will join us in wishing both the very best for the future.

Miss Clark will join us in September and we are pleased that she will be here to meet her new Year 5 class on July 7<sup>th</sup>, Transition Day.

We welcome Mrs Evans and Miss Redmond to the teaching assistant team. Miss Redmond will be joining us at the beginning of July.
