

Key Instant Recall Facts

I know the multiplication and division facts for the 10 times tables

Year 2

Spring Term 1

$1 \times 10 = 10$

$2 \times 10 = 20$

$3 \times 10 = 30$

$4 \times 10 = 40$

$5 \times 10 = 50$

$6 \times 10 = 60$

$7 \times 10 = 70$

$8 \times 10 = 80$

$9 \times 10 = 90$

$10 \times 10 = 100$

$11 \times 10 = 110$

$10 \div 10 = 1$

$20 \div 10 = 2$

$30 \div 10 = 3$

$40 \div 10 = 4$

$50 \div 10 = 5$

$60 \div 10 = 6$

$70 \div 10 = 7$

$80 \div 10 = 8$

$90 \div 10 = 9$

$100 \div 10 = 10$

$110 \div 10 = 11$

7 lots of 10p = 70p

10	20	30	40	50	60	70	80	90	100	110	120
----	----	----	----	----	----	----	----	----	-----	-----	-----

4 rows of 10 = 40
10 columns of 4 = 40

4 equal groups of 10

Top tips for learning at home

We will be sending out KIRFs homework weekly but there are lots of activities you could do at home too. When learning key recall facts it is important to do so little but often. You could practise these KIRFs while walking to school or during a car journey. You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources – You could use many household objects to count in groups of 10. Or share into 10 groups / group objects in 10s to practice dividing.

Play games – You can play games online at [Conker Maths - Conker KIRFs Number Problems](#) and then see how many questions you can answer in just one minute.
