Messages & reminders...

- All children should come into school via the front gate. There is no access from the **car park** as it is for staff only. It is not safe for children to be dropped off here and the wooden gate will soon be sealed...
- Please encourage your child to eat a **healthy snack** at breaktimes - no crisps or chocolate
- Class 1 are requesting any "**small world**" toys to supplement what we have in school. If you have any unwanted Barbies, Action Men, cars...or other small toys, please send them into Class 1 - thank you!
- Children need **coats** every day at the moment! Sounds obvious, but...!!?

St Mary's first 'Off by heart' poetry performances were spellbinding.

Our children have always been recognised for their talented performances, both in school and outside, and this was no exception: clear, loud voices, poems learnt 'off by heart', actions and expression that engaged the audience. Well done everyone!
